WELCOME

With three historic spaces along with additional breakout areas, Brighton Dome provides a unique and versatile venue for a variety of corporate events. It is part of the glorious Royal Pavilion Estate, located in the heart of Britain's cosmopolitan city-by-the-sea and within easy reach of all the hospitality, leisure and entertainment that Brighton has to offer.

Inspired by the Corn Exchange in Paris, this remarkable building was originally designed as the Prince Regent's riding stables and riding house in 1805. It was restored in 1935, with a resplendent art deco interior in the

Concert Hall and a beautiful sprung maple floor in the Corn Exchange. Following a £22 million refurbishment the Brighton Dome reopened in 2002, lovingly restored to bring a touch of elegance and grandeur to any event.

We pride ourselves on customer care and our dedicated event coordinators are on hand from start to finish ensuring a successful well-planned event every time. Combining state of the art facilities and unrivalled in-house expertise with Grade 1 listed heritage, Brighton Dome has all the ingredients to make your event a truly unique and memorable experience.
